MUSEUM EVENTS

A large display of pictures from out of Mattapoisett's past of people and places is ready for viewing at the Museum. This display will be changing throughout the summer. We are still interested in any old pictures you may have. These would be on a loan basis.

The Oscar St. Jacques furniture display is the special exhibit for the month of July. Don't miss this.

On July 20th and the 27th the June week of Bicentennial events will be presented in a slide program at 8:00 P.M. in the museum.

Because there are so many excellent pictures of the parade, British attack, and etc. they will be shown in two parts. The evening of the 20th the parade pictures will be viewed. The museum will be open to the public both these evenings, so plan to come early to view

Movies are shown every Wednesday night at 7:30 in the auditorium. Other evening activities include productions by the Village Players; next week the Theater Workshop will commence.

The month of July is membership month. Anyone can join the Marion Art Center and receive invitations, discounts, etc. But, mainly, by joining the Center, one is supporting a community cultural establishment that exists solely through membership dues and donations. The annual meeting for all paid up members will be held on Sunday evening, July 24th.

The Sidewalk Show is on August 5th and 6th this year and promises to be a new and exciting festival of the arts - music, drama, crafts, the fine arts. For information about any of these activities, stop in or call in the afternoon.

Delta Kappa Gamma

Twenty-five members of the Psi Chapter of Delta Kappa Gamma, the Women Educators' honorary, enjoyed a social, outdoor luncheon as the last meeting until fall. The group met at the home of the sorority's president, Ms. Barbara Crowe, on Pico Beach Road, Mattapoisett, on June 24.

Dates for the fall meetings of Delta Kappa Gamma--local, area, and state--were announced, and plans for the yard sale were formulated. Ms. Polly Mosny and Mrs. Florence Gifford, the Ways and Means co-chairmen of the organization, have set the date, place and time: July 23 at 645 Reed Road, North Dartmouth, from 11 A.M. to 5 P.M.

Members were asked to sign up to work in shifts, and items to be offered for sale were suggested. It was felt that all kinds of bric-a-brac, dishes, small working appliances, gifts, glassware, baby and children's clothing, old tires, jewelry, and books--especially paperback--were most desirable. Lemonade will also be available.

The proceeds of the sale will help send the local officers to the International Convention in Texas.

Members who were absent have been sent information about the Yard Sale; but in the event anyone has been missed, or for more information, members are asked to phone Mrs. Florence Gifford as soon as possible.

THANK YOU FROM FORAM

It is now our pleasure to thank all those who attended our dance on the 25th at Shining Tides. This year FORAM would like to be more directly involved with the students by offering opportunities for enrichment in the arts to each of them. Your support will help to make this possible.

For those of you who admired the lovely hanging baskets all around the porch, they were graciously loaned by Olde Oxford Farms, located on Route 6 in Fairhaven, just over the Mattapoisett line. The handsome shrubs that beautifully surrounded the doorways were loaned to us by G. Bourne Knowles, also on Route 6 in Fairhaven. Our thanks to both of these neighborhood establishments

All of our bartenders and waitresses were volunteers and to them we offer bouquets of thanks. They were the most professional, efficient "volunteers" we've had the pleasure of working with. Thank you again!

To the many friends of FORAM who contributed the fresh cut flowers, made the delicious hors d'oeuvres and helped so generously by giving their time and energy in the preparation for the dance, we thank you.

SAVING WATER AT HOME

1. Check every faucet in your home for leaks. Just a slow drip wastes 15 to 20 gallons a day.
2. Put a bit of food coloring in the toilet tank to see if it's leaking into the bowl. Leaky toilets are among the home's worst water wasters.
3. Don't shower too long or fill the tub too full. Five minutes for showering and about five inches in the tub is plenty.

DUFF PLUMBING ANNOUNCES

We have added another truck to our fleet expressly for the Marion, Wareham & Rochester area residents. We have had such an increase in calls that **we have decided to install a direct, toll-free "'Hot Line"** for these customers. We have **our plumber, Chet, who is a local resident** and knows the area well. He will have a well-stocked supply of plumbing needs right at hand.

Are you disappointed to find yourself waiting two days for a plumber, then have him arrive with a helper to carry the tool box, and receive a bill for two men? We pride ourselves on sending one man on service calls.

We take good care of our old customers; it is new customers we are looking for.

MARION-MATTAPOISETT PHONE BOOK PLANNED BY LEAGUE OF WOMEN VOTERS

The Phone Book Committee of the Marion-Mattapoisett League of Women Voters held its final advertising campaign planning meeting at Jay Crowley's, Point Road, Marion, on Thursday, July 7. During the rest of July League members plan to visit all businesses in Marion and Mattapoisett and ask them to take advertisements in the League Phone Book. If enough revenue is received the book will be distributed free; if not, a small donation will be requested. Either way, League members will go out and distribute the book door-to-door.

The LWV Phone Book will have a separate section for each town plus important local information, a classified section, a professional directory and advertisements. Publication is planned for this October and the League plans to update their book every two years.

The League is publishing this phone book, on which it has been working since last fall, as a needed local resource and as a money-raiser to support its community activities, particularly "Voter Service" which includes education on public issues, candidates' nights (in Marion), the answering of voters' questions, Know Your Own Town information and liason with state and national legislators.

Marion Visiting Nurses

THE MVNA NEEDS YOUR HELP!

The Marion Visiting Nurse Association will have its usual yearly Fund Drive on Monday, July 25th. The Marion Visiting Nurse Association has been in operation since 1914. The devotion of our wonderful nurses in ministering to the sick and the eldery is without comparison. Mrs. Edna Archer, R.N., with more than 12 years of service to the town, continues to administer efficient service and tender, loving care to those in need. She is very ably assisted by a competent staff made up of Mrs. Barbara Shesky, R.N., Mrs. Mary Gallini, R.N., and Mrs. Barbara Wiker, R.N.

The average payment per visit does not cover the cost. We receive no financial assistance from the town. Additional state health demands have increased our costs tremendously. In addition to over 1800

visits made by the nurses and Home Health Aides in the past year, we have held 11 Well Child Clinics and a free Blood Pressure Clinic was held on May 26th. Monthly Senior Citizen health counseling sessions are included in the services as well as the supervision of the Home Health Aides. The Marion Visiting Nurse Association has available hospital beds, crutches, walkers, wheel chairs and other medical equipment for those in need.

May we remind you that the work of our visiting nurses is entirely supported by this drive and by the rummage sale to be held in September. Our drive in 1976 was a very successful endeavor. Because of inflation, we hope to surpass last year's total. Volunteer workers will be calling at your home on Monday, July 25th. We shall be most appreciative of any contribution you can make to further the work of our organization.

FOR ALL DECORATING NEEDS IN YOUR HOME

Rochester Regional Junior High School has used a High Intensity Reading Lab to improve student reading skills. Seventy students have achieved excellent growth rates, with the average student gaining three months over the predicted gain.

Under the direction of James M. Pasquill, Director of Instruction, this Title I reading program is geared toward those students reading below grade level. Mary M. White, reading teacher, and Charlene M. Washburn, teacher aide, work with small groups of students to bring student reading levels up to grade level.

Dr. Vincent J. Worden, Professor of Education at Bridgewater State College, is in the process of completing an evaluation of this federal program. He recently made a verbal report to the Parent Advisory Council, the Director and the program's teacher, indicating that the program has achieved over and above the goals proposed in the program's federal contract.

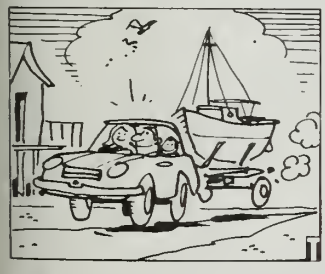
TIPS TO HELP YOU

This information has been supplied by experts at The Society of Chartered Property & Casualty Underwriters

Q. If I rent a utility or boat trailer does this affect my auto insurance?



A. No. The coverage applying to injuries and damages you may be responsible for (bodily injury and property damage liability) would also apply to the utility or boat type trailer. However, your policy would not cover damage to the trailer itself. This means if a utility trailer broke loose and damaged the car following you, the damage to the other car would be covered but not the damage to the trailer itself.

Most firms that rent such travel trailers will offer you an opportunity to buy collision coverage on the trailer. You'll be wise to rent from a company that does offer this, for it's difficult to buy such insurance on your own.
